This request form will be inserted into the "guts" of the new 2009 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

The original drafting file will then be returned, intact, to its folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.

1 AN ACT ...; relating to: the budget.

*Analysis by the Legislative Reference Bureau*

**HEALTH AND HUMAN SERVICES**

**CHILDREN**

Under current law, kinship care payments and assessments to determine eligibility for kinship care payments are funded from certain program revenue-service appropriations to DCF that consist of moneys transferred from a federal block grant aids appropriation of DCF. This bill eliminates those program revenues-service appropriations, resulting in kinship care payments and assessments being funded directly from that federal block grant aids appropriation.

**PUBLIC ASSISTANCE**

Under current law, DCF allocates specific amounts of federal moneys in each fiscal year, including Child Care Development Funds (CCDF) and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. This bill increases, decreases, and combines some of those allocations. The bill also adds an allocation for public assistance program fraud and error reduction activities and removes an allocation for the Milwaukee and statewide child welfare information systems.

1 AN ACT ...; relating to: child care quality and availability spending  
2 requirements.

*Analysis by the Legislative Reference Bureau*

**HEALTH AND HUMAN SERVICES**

**PUBLIC ASSISTANCE**

Under current law, DCF may spend no more than the minimum amount required under the federal law that provides federal Child Care Development Funds (CCDF). From a number of specified appropriations, DCF allocates CCDF for a number of specified purposes related to child care licensing and child care programs administered by DCF. The allocations in current law either provide no specific amount or require an allocation of at least a certain specified amount.

This bill eliminates the specific list of appropriations from which DCF allocates CCDF and eliminates the requirement that DCF spend no more than the minimum amount required under federal law for its child care licensing activities and child care programs. The programs to which allocations are made and the allocation amounts are not changed.

Since under this draft (with the repeal of s. 49.155 (1g) (b) and the other allocations being "at least" a certain amount) s. 49.155 (1g) no longer has any allocation limits to exceed, do you want to repeal s. 49.155 (1j)?

For the new allocation for fraud and error reduction in s. 49.175 (1) (h), I used "public assistance program" instead of limiting the allocation to Wisconsin Works and Wisconsin Shares because s. 49.197 deals with more programs than those two. Is this ok?

You requested that the sentence in s. 20.437 (1) (kd) referring to "all moneys transferred from the appropriation account under sub. (2) (md) to this appropriation account" be deleted, but if you delete that sentence there is no funding source for s. 20.437 (1) (kd). Accordingly, this draft repeals s. 20.437 (1) (kd), which would result in kinship care assessments being funded directly from s. 20.437 (2) (md). Hi Pam,

The caretaker of a newborn infant decision has come through, in addition to some other changes. The changes from the email I sent you on Monday are in red, but all of the changes need to be made! I still do not know what the allocation amount for the AFDC overpayments will be yet.

- Section 3, Line 1-2: strike "less the amounts ... s.49.143(3),"
  - This is unnecessary because all TANF-related recoveries may be treated as recoveries credited to s.20.437(2)(me).
- Section 3, Line 6: strike "sub. (1) (kc), (kd), and (kx) and"
- Section 3, Line 9: strike "and all monies recovered under s.49.143(3)"
- Section 9: amount should be \$4,985,3600 per fiscal year
- Section 14: amounts should be \$17,708,600 in FY10 and \$17,810,400 in FY11 and thereafter
- Section 16: amounts should be \$7,635,200 in FY10 and \$7,831,700 in FY11 and thereafter
- Section 17: amounts should be \$6,329,400 in FY10 and \$7,038,300 in FY 11 and thereafter
- Section 22: amounts should be \$6,700,700 in each fiscal year and thereafter

I also want to request the following amendments to 49.175 that did not appear in my original request. Please change the amounts of the following s.49.175 allocations:

- new*
- ✱ • 49.175(a): amount should be \$44,282,800 in FY10 and \$45,947,300 in FY11 and thereafter
  - 49.175(i): amount should be \$8,600,000 in FY10 and \$7,600,000 in FY 11 and thereafter
  - 49.175(p): amount should be \$375,736,400 in each fiscal year and thereafter

Hello Pam,

The following amendments are part of the Governor's final decisions. There is a possibility that there could be one minor additional amendment to one more s.49.175 allocation based on a final decision on the Caretaker of a Newborn Infant benefits.

Here are the changes I would like to see in the existing draft as of right now:

- ✓ • Section 3, Line 1-2: strike "less the amounts ... s.49.143(3),"
  - This is unnecessary because all TANF-related recoveries may be treated as recoveries credited to s.20.437(2)(me).
- ✓ • Section 3, Line 6: strike "sub. (1) (kc), (kd), and (kx) and"
- ✓ • Section 3, Line 9: strike "and all monies recovered under s.49.143(3)"
- ✓ • Section 9: amount should be \$4,985,3600 per fiscal year
- ✓ • Section 14: amounts should be \$17,708,600 in FY10 and \$17,810,400 in FY11 and thereafter
- ✓ • Section 16: amounts should be \$7,635,200 in FY10 and \$7,831,700 in FY11 and thereafter
- ✓ • Section 17: amounts should be \$6,329,400 in FY10 and \$7,038,300 in FY 11 and thereafter
- ✓ • Section 22: amounts should be \$6,700,700 in each fiscal year and thereafter

I also want to request the following amendments to 49.175 that did not appear in my original request. Please change the amounts of the following s.49.175 allocations:

- ✓ • 49.175(i): amount should be \$7,600,000 in each fiscal year and thereafter
- ✓ • 49.175(p): amount should be \$375,736,400 in each fiscal year and thereafter
- ✓ • 49.175(zh): amount should be \$0 in each fiscal year and thereafter

**HEALTH AND HUMAN SERVICES**

**CHILDREN**

Under current law, kinship care payments and assessments to determine eligibility for kinship care payments are funded from certain program revenue-service appropriations to DCF that consist of moneys transferred from a federal block grant aids appropriation of DCF. This bill eliminates those program revenues-service appropriations, resulting in kinship care payments and assessments being funded directly from that federal block grant aids appropriation.

**PUBLIC ASSISTANCE**

Under current law, DCF may spend no more than the minimum amount required under the federal law that provides federal Child Care Development Funds (CCDF). From a number of specified appropriations, DCF allocates CCDF for a number of specified purposes related to child care licensing and child care programs administered by DCF. The allocations in current law either provide no specific amount or require an allocation of at least a certain specified amount.

This bill eliminates the specific list of appropriations from which DCF allocates CCDF and eliminates the requirement that DCF spend no more than the minimum amount required under federal law for its child care licensing activities and child care programs. The programs to which allocations are made and the allocation amounts are not changed.

Also under current law, DCF allocates specific amounts of federal moneys in each fiscal year, including CCDF and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. The bill increases, decreases, and combines some of those allocations. The bill also adds an allocation for public assistance program fraud and error reduction activities and removes an allocation for the Milwaukee and statewide child welfare information systems.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

1 AN ACT relating to: the budget.

*Analysis by the Legislative Reference Bureau*

**HEALTH AND HUMAN SERVICES**

**CHILDREN**

Under current law, kinship care payments and assessments to determine eligibility for kinship care payments are funded from certain program revenue-service appropriations to DCF that consist of moneys transferred from a federal block grant aids appropriation of DCF. This bill eliminates those program revenues-service appropriations, resulting in kinship care payments and assessments being funded directly from that federal block grant aids appropriation.

**PUBLIC ASSISTANCE**

Under current law, DCF may spend no more than the minimum amount required under the federal law that provides federal Child Care Development Funds (CCDF). From a number of specified appropriations, DCF allocates CCDF for a number of specified purposes related to child care licensing and child care programs administered by DCF. The allocations in current law either provide no specific amount or require an allocation of at least a certain specified amount.

This bill eliminates the specific list of appropriations from which DCF allocates CCDF and eliminates the requirement that DCF spend no more than the minimum amount required under federal law for its child care licensing activities and child care programs. The programs to which allocations are made and the allocation amounts are not changed.

Also under current law, DCF allocates specific amounts of federal moneys in each fiscal year, including CCDF and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. The bill increases, decreases, and combines some of those allocations. The bill also adds an allocation for public assistance program fraud and error reduction activities and removes an allocation for the Milwaukee and statewide child welfare information systems.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

**SECTION 1.** 20.437 (1) (kc) of the statutes is repealed.

**SECTION 2.** 20.437 (1) (kd) of the statutes is repealed.
